

Deviock Parish Council Traffic Regulation Order Proposal and Informal Public Consultation February 2011

Over the past few years Deviock Parish Council has received many written and verbal complaints regarding traffic problems in the Parish.

As a result of this Parish Councillors have been working with Highways officers from Cornwall Council about traffic problems in the area. We have come up with some potential solutions, but it is becoming obvious that we are not going to get everything on our wish list for legal and technical reasons.

However, we have come up with some ideas. We are now asking for your views and comments with a view to continuing the legal process of putting a Traffic Regulation Order (TRO) in place.

Please complete the attached questionnaire simply by ticking ✓ the appropriate box.

Completed forms should be returned in the envelope provided to one of the following collection points by **1st March 2011**

- Deviock Parish Office, The Vestry, St Nicholas Church, Downderry
- Downderry Stores
- Seaton Beach Café
- Copley Arms, Hessenford

(You can also complete the questionnaire online at www.deviockparish.org.uk/TRO.asp)

Thank you for taking the time to complete our questionnaire.

The results of this survey will help Deviock Parish Council decide on how to address some of the traffic problems in our Parish.
