

Deviock Parish Council

**Public
Conveniences
temporarily
Closed**

We are continually reviewing our options and our policies regarding the provision of the public conveniences in Donderry and Seaton and we are currently undertaking the required Covid 19 secure risk assessment and liaising at county level regarding the provision of the cleaning services, equipment and training required to safely re-open them very soon.

The public and local businesses will be advised as soon as we are able to confirm a schedule.

Thank you for your understanding.
